Re: Docket No. 15-188; Roman LD, Inc.; Request for STA

Dear Ms. Dortch:

Roman LD, Inc. ("Applicant"), pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, hereby respectfully requests Special Temporary Authority ("STA"), for a period of sixty (60) days, to continue providing service to customers pending the Federal Communications Commission's ("FCC's" or "Commission's") consideration and approval of an application for consent to transfer of control, which was filed on July 22, 2015, in the above referenced docket.

As detailed in the underlying transfer of control application, Sapina Quayum transferred 100% ownership interest in Applicant to Monotaz Begum pursuant to a stock purchase agreement on January 2, 2013. The transaction was completely transparent and did not result in a reduction or impairment of service to any of Applicant's customers. However, Applicant and the parties to the transaction did not seek the Commission's consent prior to the transfer of control and are requesting this STA as part of a plan to correct any deficiency which may have resulted from this oversight.

Applicant, a Texas corporation, is a non-facilities-based interexchange carrier that provides domestic and international long distance telecommunications service on a purely resold basis. Grant of this STA is in the public interest as it will allow Applicant to continue providing uninterrupted telecommunications services to its customers. Discontinuance of the Applicant's service could result in a widespread loss of telecommunications services to end user customers.

Applicant has taken steps to correct this deficiency by filing applications for Commission approval of the transfer of control as well as the instant request for STA. Applicant acknowledges that the grant of this STA extension will not prejudice any action the Commission may take on the underlying transfer of control application. Applicant further acknowledges that this STA can be revoked by the Commission upon its own motion without a hearing, and that grant of an STA and the underlying application will not preclude enforcement action.

Please contact the undersigned should you have any questions.

Sincerely,

Robert Schill
Counsel for Roman LD, Inc.
